BH Board Annual Report Work.

Is it in the BH Board's Responsibility? Bylaws. Informed by other county sharing at statewide meetings of California Association of Local Behavioral Health Boards and Commissions. What are the immediate tasks?

1. Gather Department contracts, and quarterly reports delivered for FY 25-26 to review programs funded to meet needs.
2. Get a copy of the upcoming consultant report on Departmental improvement to understand its recommendations.
3. Work with Jan and Nlan to align our work with their goals and objectives.
4. Work with Sonoma County Homeless Coalition and Department to insure effective merger of community and County planning going forward.
5. Request a presentation from the Behavioral Health Division's Quality Assessment & Performance Improvement Section's Report on divisional programs.
6. Draft language about the substance use disorder application of Measure O funding.

FY 26-29 Draft Three-Year Integrated Plan

1. Obtain updated Draft Plan from Department
2. Align Plan financial information with BHSA Multi-Year Financial Statement.
3. Develop Committee Report and provide for review by BH Board by their April 21st Meeting.
